D Bb F C
I'll throw the pages on the floor I'm starting over like before
D Bb F C
I'll change this stupid ending and stay with you forever more
D Bb F C
But when I'm lying next to you It's hard to bargain with the truth
D Bb F D C
Cause when you know the love is gone The time has come to write
Bb C

your last song

second verse is also same like the 1st vrse
There you are
Smiling at me from the next room
Beautiful as the first day I met you
And I'm so sorry
I couldn't be the one to love you
The way that you deserve to be

chorus

Eb Bb
It's hard to think of you and I as total strangers
Eb Bb F
I've lived this last goodbye a million times or more in my mind
Eb D
My mind, my mind

solo
first repeat of Dm Bb F C used the intro solo, but somehow I can't tab the other.. (don't enough time..)

this post chorus is used same chord as chorus

Oh and I'm gonna miss you
But I can't go back
Even just to kiss you
Cause I can't exist
Just living a lie
Gotta lot of love to give
You know before I die
And as I watch you
Sing along
It's killing me to know
That it's your last song
