

Scott Helman - Machine

Tom: D

(com acordes na forma de G)
Capotraste na 7ª casa

Your heart
Is more than a machine
Pumping blood through your body
Doing things you've never seen

Their words
Come like arrows when they fly
With mechanical precision
They could cut you up inside

[Chorus]

But you're more than bolts
Like the city's more than steel and stones
Soon your heart is gonna overflow
Push you back down you get up again
Circuits freeze and androids never dream
You're more than a machine

[Verse]

Touch screen

Fingertips and pretty lights
We go through the scanner sideways
See you on the other side

Your flesh
All your skin and all your bones
Carry all our generations
With futures still unknown

[Chorus]

But you're more than bolts
Like the city's more than steel and stones
Soon your hearts is gonna overflow
Push you back down you get up again
Circuits freeze and androids never dream
You're more than a machine

But you're more than bolts
Like the city's more than steel and stones
Soon your hearts is gonna overflow
Push you back down you get up again
Circuits freeze and androids never dream
You're more than a machine
