

Scratch21 - Strangers

Tom: E

E B Dbm B

E
Save me, I'm drowning so deep in the darkness. B

I'm waiting for your touch to stop this. A

There's smoke blinding us with goodbyes. And I B
E
keep hope. 'Cause this feeling's different and I know, A

I've staggered so long that it can't go. B

Alleviate me, I'll be fine. In time.

Chorus:

E
Please remember that I miss you.

B
Young and reckless, what did we do?

Dbm
Broken promise, gone forever.

B
Maybe one day we'll get better.

E
Right by your side, that's where I'll be.

B
In a heart beat if you ask me.

Dbm
Let's stay strangers like we're meant to.

B E
Oh, I wonder if you miss me too.

E Dbm E B (?)

E
Find me, I'm waiting right here where you left me. B

Still shredded and bruised, but I'm breathing. A

Be brave for me, ignore their eyes. Just try. B

E B
We're dancers, and I've picked petals looking for answers,
and I've received these edges from chances. A

Indelible, but I'll be fine. In time. B

Chorus:

E
Please remember that I miss you.

B
Not caring is so hard to do.

Dbm
Everything we loved together,

B
it's not the same without you there.

E
Feels like you were just beside me.

B
How did time go by so quickly?

Dbm
Now we're strangers, but I miss you.

B
Oh, I wonder if you miss me too.

E B Dbm B
(Woah-oh-ohoh) x4

E
Please remember, don't forget me.

B
I'll be leaving this heart empty.

Dbm
Burn our bridges, are you still there?

B
All these endless circles do nothing.

E B
And I don't know, why I can't just let you go.

Can we go back? Can we start again? Because I need you. Dbm

B E
Oh, I wonder if you need me too.
