

Scratch21 - Strangers

Tom: E

E B Dbm B

E Save me, I'm drowning so deep in the darkness. B

I'm waiting for your touch to stop this. A

There's smoke blinding us with goodbyes. And I B

E keep hope. 'Cause this feeling's different and I know, B

I've staggered so long that it can't go. A

Alleviate me, I'll be fine. In time. B

Chorus:

E Please remember that I miss you.

B Young and reckless, what did we do?

Dbm Broken promise, gone forever.

B Maybe one day we'll get better.

E Right by your side, that's where I'll be.

B In a heart beat if you ask me.

Dbm Let's stay strangers like we're meant to.

B Oh, I wonder if you miss me too. E

E Dbm E B (?)

E Find me, I'm waiting right here where you left me. B

Still shredded and bruised, but I'm breathing. A

Be brave for me, ignore their eyes. Just try. B

E We're dancers, and I've picked petals looking for answers, B

and I've received these edges from chances. A

Indelible, but I'll be fine. In time. B

Chorus:

E Please remember that I miss you.

B Not caring is so hard to do.

Dbm Everything we loved together,

B it's not the same without you there.

E Feels like you were just beside me.

B How did time go by so quickly?

Dbm Now we're strangers, but I miss you.

B Oh, I wonder if you miss me too.

E Please remember, don't forget me.

B I'll be leaving this heart empty.

Dbm Burn our bridges, are you still there?

B All these endless circles do nothing.

E And I don't know, why I can't just let you go. B

Can we go back? Can we start again? Because I need you. Dbm

B Oh, I wonder if you need me too. E
