E
Her ghost hides
In my mind
In the night
A
In a way she's haunting me
E
I'm wanting her still
Thru rose colored skies
Or blue, blue moonlight
A
There's miracles on high
E
She's walking by
A B
When I look at you I've got a 2nd chance
E A
Really need to have you now
B A E
One by one they fall it always breaks me down

The quiet
Cuts me thru
The candle burnt
The knife has turned
The pain withers
Alive I know deep inside

When I look at you I've got a second chance
Really need to take it now
One by one they fall it always breaks me down
