Am
But if you want to leave
Am
I respect, do you believe?

Am C G Am C G
I dont know how to command
Am C G Am C G
But you can stay if you want
Am C G Am C G
I dont know how to command

I even pretend, but I dont know
Am
And I freeze like snow
Am
And the movies I can't choose

What are we going to see
Am
Maybe the sun, or the clouds?
Am
This conversation makes me cold

Am C G Am C G
I dont know how to command
Am C G Am C G
But you can stay if you want
Am C G Am C G
I dont know how to command
Am C G Am C G Riff 1
Am I so-- useless?
