

# Seafret - Atlantis

Tom: B

(com acordes na forma de G )

Capostrate na 4ª casa

Intro: C D Em C Em D

Primeira parte:

The birds have left their trees  
 The light pours onto me  
 I can feel you lying there  
 All on your own  
 We got here the hard way  
 All those words that we exchanged  
 Is it any wonder things get brooooooke

Pré-Refrão:

'Cause in my heart and in my head  
 I've never taken back the things I send  
 So high above  
 "I feel it coming down", she said  
 In my heart and in my head  
 Tell my why this has to end  
 Oh, no  
 Oh, noooooooooo

Refrão:

I can't save us  
 My Atlantis, we fall  
 We built this town on shaky ground  
 I can't save us  
 My Atlantis, oh, no  
 We build it up to pull it down

Segunda parte:

Now all the birds have fled  
 The hurt just leaves me scared  
 Losing everything I've ever known  
 It's all become too much

Maybe I'm not built for love  
 If I knew that I could reach you  
 I would gooo-oooo

Pré-Refrão:

It's in my heart and in my head  
 You can't take back the things you said  
 So high above  
 "I feel it coming down", she said  
 In my heart and in my head  
 Tell my why this has to end  
 Oh, no  
 Oh, noooooooooo

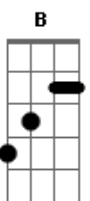

Refrão:

I can't save us  
 My Atlantis, we fall  
 We built this town on shaky ground  
 I can't save us  
 My Atlantis, oh, no  
 We build it up to pull it down  
 And we built it up  
 And we built it up  
 And we built it up to pull it down  
 And we built it up  
 And we built it up  
 And we built it up to pull it down

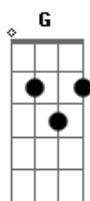

Refrão:

I can't save us  
 My Atlantis, we fall  
 We built this town on shaky ground  
 I can't save us  
 My Atlantis, oh, no  
 We build it op to pull it down
