

## Seal - Kiss From A Rose Intro

Tom: **Gb**

This is my first one, but its pretty good, I got it from a friend. Its alot easier than the other ones, pretty much why I like it. Its not as good quality, but hey, the ladies recognize it.

(Intro) Reapeat 4x

(There, used...)

(You Became...)

(Love Remained...)

I still gotta do the rest, just wait for it.  
Enjoy the easier version.
