

Seal - When A Man Is Wrong

Tom: E
Intro: .: (E) x3

The perils of loneliness
 The pleasures of love
 That we find
 The arguements imminent
 The look on her face
 As we cry
 There?s nothing when you fall alone
 There?s hate when you fall by the side
 You know that I didnt mean to hurt you love
 I just need some light
 On my life
 But when a man is wrong
 Facing all the mistakes
 That he?s done
 There can be no right
 Now if I was a holy man
 And you were the devil song
 And if I liked what you played
 Does that mean you?re right and I?m wrong?

You know, there?s danger in a serenade, my friend
 There?s even love if you find what you want
 And there?s reason to be afraid
 And reason to open your heart
 But when a man is wrong
 Facing all the mistakes
 That he?s done
 There can be no right
 Oh my friend
 I sometimes get things wrong to get things right
 Oh my friend
 You know I sometimes get things wrong to get things right
 Oh my friend
 When I?m wrong
 Facing all the mistakes that are done
 When a man
 When this man is wrong
 There can be no right
 There can be no right
