

# Seal - When A Man Is Wrong

Tom: E  
Intro: .: ( E ) x3

The perils of loneliness  
 The pleasures of love  
 That we find  
 The arguements imminent  
 The look on her face  
 As we cry  
 There?s nothing when you fall alone  
 There?s hate when you fall by the side  
 You know that I didnt mean to hurt you love  
 I just need some light  
 On my life  
 But when a man is wrong  
 Facing all the mistakes  
 That he?s done  
 There can be no right  
 Now if I was a holy man  
 And you were the devil song  
 And if I liked what you played  
 Does that mean you?re right and I?m wrong?

You know, there?s danger in a serenade, my friend  
 There?s even love if you find what you want  
 And there?s reason to be afraid  
 And reason to open your heart  
 But when a man is wrong  
 Facing all the mistakes  
 That he?s done  
 There can be no right  
 Oh my friend  
 I sometimes get things wrong to get things right  
 Oh my friend  
 You know I sometimes get things wrong to get things right  
 Oh my friend  
 When I?m wrong  
 Facing all the mistakes that are done  
 When a man  
 When this man is wrong  
 There can be no right  
 There can be no right
