

Sean Daniel - Poison Pill

Tom: Ab

(forma dos acordes no tom de G)
 Capotraste na 1ª casa

I?m getting further and further away,
 From the people I knew by more than a name or face
 Marching deeper than, I?d ever thought to go
 And I watch them one by one
 Go into the fog and come out as someone else
 Not for the better, if at all
 Oh how fast they turn to go
 And what?s behind that change I?ll never know
 If I keep standing still then I might avoid that poison pill

Bb7M C G D
 We?re all seduced to take
 D7M Bb7M
 What I?m expected to do
 G D7M
 Is follow the leader through spirals and corkscrews
 Bb7M G
 Eyes down, twisted round into a chain
 D7M Bb7M
 Whatever comes my way
 G D7M
 Gets beaten down and saved for another day
 Bb7M G
 To be reckoned with or never realized
 Bb7M C G
 Oh how fast they turn to go
 Bb7M C G
 And what?s behind that change I?ll never know
 Bb7M C G
 It?s hard to stay the same when we?re all caught up in a
 number?s game
 Bb7M C G D
 We all learn to count backwards
