Don?t make me crazy  
Your bed won?t take it  
Don?t start that fuego, hmm  
I can?t fight my DNA  
Loca, ah-ah

[Primeira Parte]

Alright, then  
Just one touch, wha me give the little miss  
And she start fi go loopy (loco!)  
Me tell her my love don't miss on the ride back home  
Taking her home is like she feel man a joke  
She fall inna love with the way how I do it  
And I must love the way  
Oh, she just can?t leave me alone

Crazy because she a pick up the phone

She no stop call Simone  
And a tell her she moan and groan in the zone  
She think me a clone, let me give her the bone  
Now she have to turn around

And give me the crown

[Pré-Refrão]

Ooh (baby girl), encima mío, encima tuyo  
Ooh, on top of me, on top of you, yeah  
Ooh (baby girl), contigo ya no hay cama que aguante  
Eh, aguante, yeah

[Refrão]

(La-la-la-la)  
Don?t make me crazy  
(La-la-la-la)  
Your bed won?t take it  
Don?t you start that fuego, fuego  
I can?t fight my DNA  
Pero si me vuelvo loca, loca  
You might like that (eh)

Porque yo me pongo loca, loca  
Cada vez que le muerdo la boca, la boca  
Rapidito se le cae la ropa, ropa  
Y a mí me gusta (Sing, girl)

Porque yo me pongo loca, loca  
Cada vez que le muerdo la boca, la boca  
Rapidito se le cae la ropa, ropa  
Y así me gusta
