

Sean Paul - She Doesn't Mind

```
Tom: G
                                                         Same time I line mi align mi top
                                                         Fi pose sign it, prime mi ah prime it, girl
  Em
              G ? D
        C
                                                         Dis ah nuh crime weh mi climb it, girl
Ooh Ooh Ooh
                                                          Set di temperature, di climate it, girl
Em C G D
                                                         Check di rhyme, when mi ah rhyme it
Ooh Ooh Ooh
                                                         She combine it, dis approve a private world
            G
                                                         Hands up high, we burning up the sky
Girl I Got You So High
                                                         We got the dance all crazy, got the club on fire
                                                         I like the way you dance, you got me in a trance My baby she don't mind at all
Em C G
And I Know You Like
          G
                     ? D
   С
So Come On Push It On Me
                                                         Girl I Got You So High
    C G
If It Feels Alright
                                                         Em
                                                              C
                                                                      G
                                                         And I Know You Like
Em C G
Put It Up, Drop It Low And Break It Off
                                                         Em
                                                             С
                                                                      G
                                                         So Come On Push It On Me
Em C G
                   ? D
No, She Doesn't Mind
                                                              C G
   C G
                                                         If It Feels Alright
Aight, She Doesn't Mind, Aight, She Doesn't Mind
                                                         Em C G
Em C G
                                                         Put It Up, Drop It Low And Break It Off
Girl I Got You So.
                                                         Em C G
                                                                              ? D
                                                         No, She Doesn't Mind
Push it back 'pon it, bring it back 'pon it
Gimme di ting becah mi waah fi lock 'pon it
                                                             C G
                                                         Aight, She Doesn't Mind, Aight, She Doesn't Mind
Wine it, wiggle it, set di track 'pon it
Two more shot, now we inna hot 'pon it
Two girl, and dem ready fi jump 'pon it
                                                         Girl I Got You So High
Two to my world, and mi ready fi tump 'pon it Ready fi run 'pon it, ready fi dump 'pon it
                                                         Em
                                                              C
                                                                    G
                                                         And I Know You Like
Tag teaming fiyah truck mi pump on it
                                                                              ? D
                                                          Fm
                                                              C
                                                                      G
                                                         So Come On Push It On Me
Hands up high, we burning up the sky
                                                             C G
We got the dance floor crazy, we got the club on fire
                                                          If It Feels Alright
I like the way you dance, you got me in a trance
                                                          Em C G
                                                         Put It Up, Drop It Low And Break It Off
My baby she don't mind at all
                                                         Fm C G
                                                                              ? D
            G
                                                         No, She Doesn't Mind
Girl I Got You So High
                                                             C G
Em C G
                                                         Aight, She Doesn't Mind, Aight, She Doesn't Mind
And I Know You Like
                     ? D
Em
    C
          G
                                                         Ain't gonna be shy about it
So Come On Push It On Me
                                                         Ain't telling no lie
   C G
                                                         Girl I'm a animal, animal
If It Feels Alright
                                                         Animal, animal...
                    ? D
                                                         I'm breaking it down for the night and
   C G
Put It Up, Drop It Low And Break It Off
                                                         I want you to come for the ride
Em C
        G
                   ? D
                                                         Let's win it out, win it out
No, She Doesn't Mind
                                                         Win it out, win it out...
   C G
Aight, She Doesn't Mind, Aight, She Doesn't Mind
                                                         Oooh Oooh Oooh
                                                         She don't mind girl!
                                                          Oooh Oooh Oooh
Girl I Got You So High
                                                         Come on!
Em C G
And I Know You Like
                                                                      G
                    ? D
