

Sean Rowe - I'll Follow Your Trail

Tom: **D**

D
I didn't know I was lookin' for you

Bm7 **A**
I didn't know there was something to find

D
Tomorrow you won't fit in yesterday's shoes

Bm7 **A**
And I'm tryin' so hard to rewind

D **D**
You came to me as an empty cup

Bm7 **A**
I didn't know love could ever be real

D **D**
And every day I tried to fill you up

Bm7 **A**
With everything that I thought you would feel

G
Through the years, the sorrow

D
The joy that we borrow

Em
The tears that we share with the rain

G
Oh today, tomorrow

D **F**
Forever I'll follow your trail

A
Just call my name

D **D** **Bm7** **A**
And I was there when you took your first step

Bm7 **A**
Into a world that was wide as the sky

D **D**
I held your belly there against my chest

Bm7 **A**
I was there when you needed to cry

D **D**
I never knew a friend could be so small

Bm7 **A**
And have a heart just as big as the moon

D **D**
You know I can't stop you from growin' up

Bm7 **A**
I just wish that it wasn't so soon

G
Through the years, the sorrow

D
The joy that we borrow

Em
The tears that we share with the rain

G
Oh today, tomorrow

D **F**
Forever I'll follow your trail

A
Just call my name

D **D** **Bm7** **A**
