

# Sean Rowe - Long Way Home

tom:

Intro: G C D G  
Em D Em G

G  
It's a long way home  
C  
He couldn't see too well  
D Em  
His left eye was shot out in the war  
D  
And the other one was getting  
Em  
So tired of watching  
Bm  
All of the time  
Bm C  
It's hard enough keep awake and alive  
G  
On this cold day  
G  
As far as he knows  
C  
It's gonna take four days  
D Em  
For the man to catch up with the mile  
D  
And there's nothing that  
Em  
Could ever be smiling  
Bm C  
Quite like death at the door  
Bm C  
He never thought that he would be poor  
G  
Like that again  
Am D  
Oooh  
Em  
He had a day dream  
Em  
And a real need for a cigarette  
Am D  
Oooh  
G  
The birds are falling  
B

And it will dark soon  
C D Em  
So he told his boots... to carry on  
( G C D Em G )  
G  
On a granite stone  
C  
He didn't sleep too well  
D  
He had her name at the edge  
Em  
Of his tongue  
D  
He made love to this memory  
Em G  
It stung him in the dark  
G C  
Morning came and it ate his heart  
D Em  
And the sun shot holes in his mind  
D  
Oh but the thunder  
Em  
Of the river behind him  
B C  
It brought him up to his knees  
Bm C  
And he prayed hard enough to say please  
G  
Against his odds  
Am D  
Oooh  
Em  
He had a day dream  
Em  
And a real need for a cigarette  
Am D  
Oooh  
G  
The moon is calling  
B  
And it will be dark soon  
C D Em  
So he told his boots... To carry on
