

Sean Rowe - To Leave Something Behind

Tom: Bb

(com acordes na forma de G)

Capostrate na 3ª casa

I cannot say that I know you well
 But you can't lie to me with all these books that you sell
 I'm not trying to follow you to the end of the world
 I'm just trying to leave something behind

Words have come from men and mouse
 But I can't help thinking that I've heard the wrong crowd
 When all the water is gone my job will be too
 And I'm trying to leave something behind

Oh money is free but love costs more than our bread
 And the ceiling is hard to reach
 Oh the future ahead is broken and red
 But I'm trying to leave something behind

This whole world is a foreign land
 We swallow the moon but we don't know our own hand
 We're running with the case but we ain't got the gold
 Yet we're trying to leave something behind

My friends I believe we are at the wrong fight
 And I cannot read what I did not write
 I've been to his house, but the master is gone

But I'd like to leave something behind

There is a beast who has taken my blame
 You can put me to bed but you can't feel my pain
 When the machine has taken the soul from the man
 It's time to leave something behind

Oh money is free but love costs more than our bread
 And the ceiling is hard to reach
 Oh the future ahead is already dead
 But I'm trying to leave something behind

I got this feeling that I'm still at the shore
 And pockets don't know what it means to be poor
 I can get through the wall if you give me a door
 So I can leave something behind

Oh wisdom is lost in the trees somewhere
 You're not going to find it in some mental gray hair
 It's locked up from those who hurry ahead
 And it's time to leave something behind

Oh money is free but love costs more than our bread
 And the ceiling is hard to reach
 When my son is a man he will know what I meant
 I was just trying to leave something behind
 I was just trying to leave something behind
