 Db B A B Db
 Db B A B Db

Db B Clear vision in what you say
 A Is you lost yourself in the deadlock
 B Db In which you were raised
 B Recognition of a hand that fed
 A Mouths that bled, Biting back today
 Db B Clear vision of a boast and brag
 A B Db Cuts me off and leaves me dead on the way
 B A Keeping busy by causing skies to dark with flies
 E Gb But think of all that you praised

D Db E B Db Give it right back and get back to your promises
 D Db E Give it right back and get back to your promises
 Gb D Db Or damn us all to hell
 B Db A Crush us all

Db B A B Db Still lost in the brag

Db B A This season you'll raise your gun and knock out one
 B Db Frame the head at your place
 B A Sick sleazy and weighs a ton, now you're undone
 Db Stuck up to your waste
 B

Look over the hills you dwell
 A B Db You look like hell in the window holding you face
 B Cars engine is cold and sad
 A You're driving bad

D A Get out of my way
 D A Heres to the roust
 D E Gb D Db D Db A Glass over morning till you see that
 D A Just like the old days
 D A Who owns the town
 D E Gb D Db D Db E Gb D Db D Db Smile spills forth as you're brewing
 (Db B A B Db)
