

# Sebastian Kole - Remember Home (feat. Alessia Cara)

Tom: F

One million songs and counting  
 A million miles I've come  
 Oh one million eyes have called to me  
 Still I remember home

Oh one thousand words stuck in my head  
 And a thousand towns I've gone  
 Oh one thousand ways for me to say  
 That I remember home

(Baby)  
 Found a star to lead me back to you  
 Shine's like you do  
 It shine's like you do  
 (Send my love)  
 Send my love so you won't feel alone  
 (Baby) as soon as I can, oh, I'm coming home

Oh one hundred nights I've dreamed of you  
 A hundred visions strong  
 Oh one hundred times I've cried for you  
 When I remember home

Oh, found a star to lead me back to you

Shine's like you do  
 It shine's like you do  
 (Send my love)  
 Send my love so you won't feel alone  
 As soon as I can, oh  
 (Oh you know that) I'm coming home

Nights so empty  
 I'm wondering if you miss me  
 So baby, I'm coming home  
 Yeah...  
 Nights so lonely  
 I need you to hold me  
 So baby, I'm coming home

(I found a star) Found a star to lead me back to you  
 Shine's like you do  
 It shine's like you do  
 (Send my love)  
 Send my love so you won't feel alone  
 (Baby) as soon as I can, oh, I'm coming home

As soon as I can, oh, I'm coming home  
 Soon as I can...soon as I can  
 Oh, I'm coming home
