

Sebastian Kole - Remember Home (feat. Alessia Cara)

Tom: F

One million songs and counting
 A million miles I've come
 Oh one million eyes have called to me
 Still I remember home

Oh one thousand words stuck in my head
 And a thousand towns I've gone
 Oh one thousand ways for me to say
 That I remember home

(Baby)
 Found a star to lead me back to you
 Shine's like you do
 It shine's like you do
 (Send my love)
 Send my love so you won't feel alone
 (Baby) as soon as I can, oh, I'm coming home

Oh one hundred nights I've dreamed of you
 A hundred visions strong
 Oh one hundred times I've cried for you
 When I remember home

Oh, found a star to lead me back to you

Shine's like you do
 It shine's like you do
 (Send my love)
 Send my love so you won't feel alone
 As soon as I can, oh
 (Oh you know that) I'm coming home

Nights so empty
 I'm wondering if you miss me
 So baby, I'm coming home
 Yeah...
 Nights so lonely
 I need you to hold me
 So baby, I'm coming home

(I found a star) Found a star to lead me back to you
 Shine's like you do
 It shine's like you do
 (Send my love)
 Send my love so you won't feel alone
 (Baby) as soon as I can, oh, I'm coming home

As soon as I can, oh, I'm coming home
 Soon as I can...soon as I can
 Oh, I'm coming home
