Sebastian - If She Was Here

Tom: C

```
      C       G                   Am
If she was here
Se ela estivesse aqui

C       G                   Am
If she was here
Se ela estivesse aqui

Refrão:
C       G               Am
If she was here
Se ela estivesse aqui
                    Em
Was here
Estivesse aqui
                G
Was here
Estivesse aqui

C               G               Am
To cure my nightmares
Para curar meus pesadelos
C                               G
Am
And the lack that you do me to relieve
E alíviar a falta que você me faz
F               G           Em
C
Because she is the solution of that squeeze
Porque ela é a solução desse aperto no peito
F           G                       C
G7
In the chest all of the nigths
Todas as noites

Solo: ( C  G  Am  C  G  Am  Em  G )

Refrão:
C       G               Am
If she was here
Se ela estivesse aqui
```

```
                    Em
Was here
Estivesse aqui
                G
Was here
Estivesse aqui

C                           G
Am
The life took us for different roads
A vida nos levou para caminhos diferentes

 C                          G
Am
But destiny united people that are belonged
Mas o destino uni pessoas que se pertencem
F               G           Em                  C
While that magic is not still ready nobody
Enquanto essa mágica ainda não está pronta ninguém
F           G               C       G7
Is capable to get well
É capaz de me curar

C       G               Am
If she was here
Se ela estivesse aqui

C       G               Am
If she was here
Se ela estivesse aqui                2x

C       G               Am
If she was here
Se ela estivesse aqui
                    Em
Was here
Estivesse aqui
                G
Was here
Estivesse aqui

Final: ( Am )
```
