

Secos & Molhados - Dom Quixote

Tom: F
Intro: dução é um trecho de uma ópera de Verdi que tem a harmonia simplificada abaixo

(Cm D Gm Abm Gm E)

A vida é um moinho

É um sonho o caminho

É do Sancho, o Quixote

Chupando o chiclete

O Sancho tem chance

E a chance é o chicote

É o vento e a morte

Mascando o Quixote

Chicote no Sancho

Moinho sem vinho

Não corra me puxe

Meu vinho meu crush

Que triste caminho

Sem Sancho ou Quixote

Sua chance em chicote

Sua vida na morte

Vem devagar

Dia há de chegar

E a vida há de parar

Para o Sancho descer

E os jornais todos anunciar

Dulcinéia que vai se casar

(Repetir Primeira Parte)

Solo: (Db Dbm Bb E) (Em G Eb Ab)

Vê, vê que tudo mudou

Vê, o comércio fechou

Vê e o menino morreu

Vê, vê que tudo passou

E os jornais todos anunciar

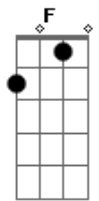

Armadura e espada a rifar

Dom Quixote cantar na TV

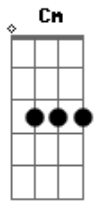

Vai cantar para subir
