                                                                Nothing's gonna change my world

                                                                Nothing's gonna change my world
Words are flowing out like endless rain into a paper cup
                                                                Nothing's gonna change my world
                                                                Nothing's gonna change my world
They slither while they pass, they slip away across the
universe
                                                                Sounds of laughter, shades of earth are ringing
Pools of sorrow, waves of joy are drifting through my opened
                                                                Through my open ears inciting and inviting me
                                                                                   Am
Possessing and caressing me

                                                                Limitless, undying love, which shines around me like a million
Jai Guru Deva Om
Nothing's gonna change my world
                                                                And calls me on and on across the universe
                                                                     CM7
Nothing's gonna change my world
                                                                Jai Guru Deva Om
Nothing's gonna change my world
                                                                Nothing's gonna change my world
Nothing's gonna change my world
                                                                Nothing's gonna change my world
Images of broken light which dance before me like a million
                                                                Nothing's gonna change my world
                                                                Nothing's gonna change my world
They call me on and on across the universe
                                                                     CM7

                                                                Jai Guru Deva Om
Thoughts meander like a restless wind inside a letter box
                                                                    CM7
                                                                Jai Guru Deva Om
They tumble blindly as they make their way across the universe
                                                                    CM7
                                                                Jai Guru Deva Om
