

Seether - Fade away

Tom: A

I wanna be there when you call
 I wanna catch you when you fall
 I wanna be the one you need
 I wanna be the one you breathe

 Today is the day we'll fade away, oh
 Today is the day we'll fade away, oh
 Today is the day we'll find our way grown
 Today is the day we'll fade away

 I wanna be there when you cry
 And when you're down I'll help you fly
 I wanna be the one you need
 I wanna be the one you breathe

 Today is the day we'll fade away, oh
 Today is the day we'll fade away, oh
 Today is the day we'll fade away, oh

Today is the day we'll find our way grown
 Today is the day we'll fade away

 But I'm coming back,
 and I'm taking back everything I can
 It's breaking me up and tearing me up it's all I have
 But I'm coming back,
 and I'm taking back everything I can
 It's breaking me up and tearing me up it's all I have

 Today is the day we'll fade away, oh
 Today is the day we'll fade away, oh
 Today is the day we'll find our way grown
 Today is the day we'll fade away
 Today is the day we'll fade away, oh
 Today is the day we'll fade away, oh
 Today is the day we'll find our way grown
 Today is the day we'll fade away
