Tom: C

Primeira parte:

C  
Now I'll take the blame  
Em  
So forget my name  
Am  
Just close the blinds  
F  
So I can come down

C  
I'm naked and shamed  
Em  
Moth to the flame  
Am  
Just take my hand  
F  
So we can both drown

Refrão:

C  
I'll never believe in you again  
Em  
I'll never forgive those things you said  
Am  
My only relief is gone and dead  
F  
I'll never forsake myself again

Segunda parte:

C  
The same sweet game  
Em  
Your halo is a flame  
Am  
Feel my heart race  
F  
And breathe a sad sigh

C  
Let me wash away  
Em  
And let go of the pain  
Am  
Just look away  
F

And turn a blind eye

Refrão:

C  
I'll never believe in you again  
Em  
I'll never forgive those things you said

My only relief is gone and dead  
F  
I'll never forsake myself again
