

Seether - Gift Acoustic

Tom: G

Tuning: Drop D one step down
Intro: / Verse

Hold me now i need to feel complete...

Pre chorus (Well you are strumming all the time, but u get the rythm...)

and im out of Reason to believe in me

Chorus (same thing here with the rythm)

And im so afraid of the gift you give me

I dont belong here and im not well

And im so ashamed of the lie i'm living

Right on the wrong side of it all

This is 100% correct, if you are unsure of anything, please check this video

Btw. this is the a version without Pat, thats why i didn't write his parts.

Peace out!
