## **Seether - Gift Acoustic**

Tom: G	And im so afraid of the gift you give me
Tuning: Drop D one step down Intro: / Verse	I dont belong here and im not well
Hold me now i need to feel complete	And im so ashamed of the lie i'm living
Pre chorus (Well you are strumming all the time, but u get the rythm)	Right on the wrong side of it all
and im out of Reason to believe in me Chorus (same thing here with the rythm)	This is 100% correct, if you are unsure of anything, please check this video http://?v=XIPWoIbizmk&mode=user&search= Btw. this is the a version without Pat, thats why i didn't write his parts.
Acordos	Peace out!
