

# Seether - The Gift

Tom: B

Abm Gb E  
 Hold me now I need to feel relief  
 Abm Gb E  
 Like I never wanted anything  
 Abm Gb E  
 I suppose I'll let this go and find a reason I'll hold on to  
 Abm Gb E  
 I'm so ashamed of defeat

Prechorus  
 Gb Abm E  
 And I'm out of reason to believe in me

 I'm out of trying to get by

 I'm so afraid of the gift you give me  
 Abm Gb E  
 I don't belong here and I'm not well

 I'm so ashamed of the lie I'm living  
 Abm Gb E  
 Right on the wrong side of it all

Abm Gb E  
 I can't face myself when I wake up, and look inside a mirror  
 Abm Gb E  
 I'm so ashamed of that thing  
 Abm Gb E  
 I suppose I'll let it go until I have something more to say

for me  
 Abm Gb E  
 I'm so afraid of defeat

Prechorus  
 Gb Abm E  
 And I'm out of reason to believe in me  
 Gb Abm E  
 I'm out of trying to get by

 B Gb E  
 I'm so afraid of the gift you give me  
 Abm Gb E  
 I don't belong here and I'm not well

 I'm so ashamed of the lie I'm living  
 Abm Gb E  
 Right on the wrong side of it all

 Hold me now I need to feel complete  
 Abm Gb E  
 Like I matter to the one I need

 Now I'm ashamed of this

 I am so ashamed of this

 Now I'm ashamed of this

 I am so ashamed of me
