

# Seether - Tonight

Tom: E  
Intro: 2x: B Abm E

Verse 1:  
I'm not gonna waste this  
This opportunity's mine  
I'm sick of complaining  
About a beautiful life

Pre-chorus:  
How did we get here?  
Did we forget all the things inside?  
And how do we stay here?  
Do we embrace all the things denied?

Chorus:  
I feel so alive tonight  
You got me feeling sublime  
I want to yell it from the rooftops down  
Until it's over, and we're older

Bridge:

B Abm E

Verse 2:  
For my entertainment  
You tell a whimsical lie  
To keep me complacent  
You knock me down with a smile

Pre chorus:  
How did we get here?  
How do we pretend everything's alright?  
And how do we stay here?  
Do we erase all the fear inside?

Chorus

Post-chorus:  
Like sugar and cyanide  
These worlds are gonna collide  
I want to yell it from the rooftops down  
Until it's over, and we're older

Middle eight:  
So take me, but go slow  
Let me hide somewhere I know  
And let this seed grow  
Until we finally call this home  
So take me, but go slow  
Let me hide somewhere I know  
And let this seed grow  
Until we finally call this home

Ad lib:  
If I was to die tonight  
Would it tear you apart?  
Would you yell it from the rooftops down?  
Until it's over, and you're older

Chorus:  
I feel so alive tonight  
You've got me feeling sublime  
I want to yell it from the rooftops down  
Until it's over, and we're older

Post-chorus:  
Like sugar and cyanide  
I want to make it collide  
I'm gonna yell it from the rooftops down  
Till it's over, and we're older  
Yeah!

## Acordes
