

Seicho-no-ie - Hino Sagrado É Primavera!

Tom: C

Intro: C Dm Em F C

Ao sair e viajar
 Vejo as águas do degelo lindas a brilhar
 E o lago ondulando como a cantar
 A primavera chegou novamente aqui
 O fluir da vida nós podemos ouvir
 (F B Em Gb Dm Db Dm G C)

Ao sair e viajar
 Dm G Am Em

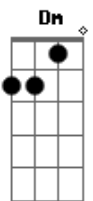

Vejo os passarinhos os seus ninhos construir
 Apressadamente mas sempre a cantar
 A primavera chegou novamente aqui
 E a graciosa vida torna a florir
 Intro: (C Dm Em F C)

Ao sair e viajar
 Vejo os pinheiros e as flores a brotar
 E suavemente sopra o vento a cantar
 A primavera chegou novamente aqui
 Transbordando vida é a primavera!
