

Selah Sue - Explanations

Tom: E

E
I?m not feeling so well lately
Gbm
lying to myself just wait and see
Abm Dbm
Time of the month so go and blame it all on that

E
But when we glitter surprise, surprise
Gbm
nothing to detect in my eyes
Abm Dbm
no reason why I feel so damn depressed

E
So, Shrink tell me what?s going on
Gbm
I hate myself so bad just can?t hold on
Abm Dbm
the feeling that I?m locked inside myself

E
Yeah, but Sally girl come on
Gbm
don?t be sad, yeah, just be strong
Abm
don?t see black or white but see things more in grey
Dbm
yeah, yeah

E Gbm
But I need explanations and some fitting solutions 'cause
Abm Dbm
I am turning in a stranger more and more, yeah
E Gbm
I need explanations and some fitting solutions 'cause
Abm Dbm
my emotions make me feel so insecure

E

Yeah, I?m not being myself lately
Gbm
so I tried to act more naturally
Abm Dbm
but that story wasn?t planned for me

E
And in stead of that I get more upset
Gbm
bad thoughts are spinning in my head
Abm
don?t say: 'Blame it all on puberty!?'
Dbm
yeah, yeah

E Gbm
But I need explanations and some fitting solutions 'cause
Abm Dbm
I am turning in a stranger more and more, yeah
E Gbm
I need explanations and some fitting solutions 'cause
Abm Dbm
my emotions make me feel so insecure

E Gbm
But don?t fake it, embrace it
Abm Dbm
'cause it?s just the way you are
E Gbm
just wait, meditate and in the end
Abm Dbm
you?ll bring it far yeah, oh, oh

E Gbm
But I need explanations and some fitting solutions 'cause
Abm Dbm
I am turning in a stranger more and more, yeah
E Gbm
I need explanations and some fitting solutions 'cause
Abm Dbm
my emotions make me feel so insecure
