

# Selah Sue - Fear Nothing

Tom: C

The things I know  
 The things I know  
 Never have the same glow passing through your rainbow  
 Ooh oh oh  
 The things I feel  
 Never have the same hold  
 'Till I've finally found you.  
 Now you make me feel like choosing love against one  
 Love against doubt  
 Love against doubt  
 Ooohhh oooh  
 'Cause I want to fade out with you  
 I would fear nothing  
 I would fear nothing  
 The things I hear  
 Never have the same sound  
 'Till I've finally found you.
