

# Selah Sue - Won't Go For More

Tom: A

Afinação: Db Gb Cb E G Db

Intro:  
Bm Dbm Gbm Gbm x2

Verse:  
If I call for you  
Will it feed the flame  
When it already breaks us in two  
Cause I want a glance  
Of how the story ends  
But I already know the truth

Verse:  
What would I have to gain  
If I had everything so few  
But I'm relieved its yours  
With my feelings on the line  
I would do anything to fight  
This raging force

refrão  
So I won't go for more  
I won't go for more  
Till the rain stops  
Wouldn't go for more  
Wouldn't go for more  
Till the haze drops

Verse:  
Found the light  
And hold it close to you  
But it's already too late for that

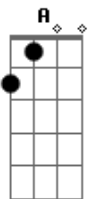

I could sing the notes  
Hopeless as they sound  
Their encouragement in my head

Verse:  
Our lives down the drain  
I would do anything for you  
I can take the blame  
My heart's on the line  
I can't do anything but lose  
This changing game

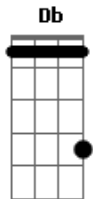

Chorus(x2)  
So I won't go for more  
I won't go for more  
Till the rain stops  
Wouldn't go for more  
Wouldn't go for more  
Till the haze drops

End:  
But I'll sing for you  
Yes I'll sing for you  
What is in my heart  
Let it ring through you  
I'll sing for you  
I'll sing for you  
I'll sing for you  
I'll sing for you  
But I won't go for more  
I won't go for more  
Till the rain stops  
Wouldn't go for more  
I won't go for more  
Till the haze drops
