

# Selena Gomez - As A Blonde

Tom: C

I was looking in the mirror  
 trying to find a new reflection  
 Wanna take the road less traveled  
 in a different direction  
 Make some new mistakes  
 forget the ones I made  
 Cry some tears of joy  
 dress more like a boy

(chorus 1)

And come back as a blond  
 try a different lipstick on  
 as a blond will I get  
 whatever I want?

I'd be ever so incising  
 take a lot of icing never  
 have to watch my weight  
 Yeah when I'm gone

I'm gonna come  
 back as a blond

(verse 2)

I wanna meet myself  
 as someone else  
 just to see what it feels like  
 Take a walk, on the other side  
 cause you know that I just might  
 Break some different  
 hearts finish what i start  
 I'm not gonna wait and  
 mess around with fate.

(chorus 2)

And come back as a blond  
 try a different lipstick on  
 as a blond will I get  
 whatever I want?

I'd be ever so incising  
 take a lot of icing never  
 have to watch my weight  
 Yeah when I'm gone

I'm gonna come  
 back as a blond

back as a...

(bridge)

I'm tainted I'm tired of  
 being the same yeah

I'm desperate I'm bored  
 I'm begging for change

What if you're normal

and wanna be strange?

Come back come  
 back come back  
 I wanna come back  
 come back come back

(chorus 3 - modulate from C to D)

And come back as a blond  
 try a different lipstick on  
 as a blond will I get  
 whatever I want?

I'd be ever so incising  
 take a lot of icing never  
 have to watch my weight  
 Yeah when I'm gone

(chorus 4)

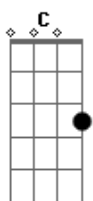

I'm gonna come  
 back as a blond  
 Wave my magic wand  
 as a blond will I  
 get whatever I want?

I'd be ever so incising  
 down a lot of ice cream  
 never need to wash my face  
 Yeah when I'm gone I'm gonna

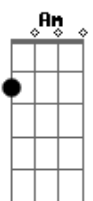

(outro)

Come back come back  
 come back (i'm Gonna come back)  
 Come back come back  
 come back (I'm Gonna come back)  
 Come back come back  
 come back As a blond
