Crazy
I like that, you like that, so let's be crazy
The contact, impact, I want that daily
Our breath getting deeper, deeper, lately
I like that, baby

[Refrão]

'Cause I can't get enough
Yeah, I can't get enough
Yeah, I can't get enough of your love
Give me some more, I love it
I can't get enough, yeah
'Cause I can't get enough
