

Selena Gomez - Live Like Theres No Tomorrow

Tom: G

G D
 If time could tune in today and we left too many things to say
 Em C
 If we could turn it back what would we want to change?
 G
 But now's the time to take a chance
 D
 C'mon, we got to make a stand
 Em C
 What if we gotta lose the choices in our hands
 Em C Am C
 And we can find a way to do anything if we try to

Refrão:

G D Em
 Live like there's no tomorrow
 C
 (cause all we have is here right now)
 G D Em
 Love like it's all that we know
 C
 (The only chance that we ever found)
 G D
 Believe in what we feel inside
 Em
 Believe in it and it'll never die.
 C
 So never let this life pass us by.
 G D Em C
 Live like there's no tomorrow.

G D
 It never was a night at day and then the week will fade away
 Em C
 Let it be. nothing less. and let the dreams remain.
 G
 Take a leap and fade and hope you fly
 D
 Feel what it's like to be alive
 Em C
 Give it all, what we've got and lay it all on the line
 Em C Am C
 And we can find a way to do anything if we try to

 Am G Em
 Will you be by my side? We'll do this together.
 C Am C
 Just you and Me. Nothing is impossible. Nothing is impossible!
