

# Selena Gomez - Magical

Tom: E

Verso 1:

Just drive, I'm sick of talking  
 We know where this is going  
 I'm done, take me home  
 I can't wait forever  
 For you to get yourself together  
 I'd rather be alone  
 I'm so tired of pretending  
 Just want a happy ending

Refrão:

Wish I could put a spell on you  
 Wish I could make you feel like I do  
 wouldn't that be sweet? So magical  
 Wish I could flick and wave a wand  
 Get everything that I ever wanted  
 And put a spell on you  
 And make it all come true

Verso 2:

You taught me what I know  
 Guys like you come and go  
 But I know things can change  
 See, my heart, it may be broken  
 But that won't stop me hoping

Refrão:

Wish I could put a spell on you  
 Wish I could make you feel like I do

wouldn't that be sweet? So magical  
 Wish I could flick and wave a wand  
 Get everything that I ever wanted  
 And put a spell on you  
 And make it all come true  
 (ponte)  
 I just wanna know what we should have done  
 Wanna figure out what we could have become  
 Cause I know in my heart I'm not over you  
 I just wanna go back and try it again  
 Turn back the time, this isn't the end of us  
 It isn't the end of us, it isn't the end of us

Refrão:

(Whoa) Wish I could put a spell on you  
 Wish I could make you feel like I do  
 wouldn't that be sweet? (Oh) So magical  
 Wish I could flick and wave a wand  
 Get everything that I ever wanted  
 And put a spell on you  
 And make it all come true

Refrão:

Wish I could put a spell on you  
 Wish I could make you feel like I do  
 wouldn't that be sweet? So magical  
 Wish I could flick and wave a wand  
 Get everything that I ever wanted  
 And put a spell on you  
 And make it all come true
