

# Selena Gomez - Middle Of Nowhere

Tom: G

Em D  
You left me spinning like a disco  
C  
Trying but I don't know  
C  
If it can stand straight  
Em D  
You took me, left, when you knew I was right  
Am C  
And now I gotta fight just to make it through the day

Em D  
I never knew what you were capable of  
Am C  
Baby, I would've kept my heart  
Em  
But I gave it up  
D  
Baby, I fell in love  
C G  
Now I don't know what it's done

Refrão:  
G  
It's so cold with nobody to hold me  
D  
You're so wrong leaving when you told me  
Em C  
You would never leave me by myself

Out in the middle of nowhere  
G  
Now I'm lost

Trying to make it on my own

I thought I could never do this,  
Em C  
Alone but now I'm walking by myself  
G

Out in the middle of nowhere

Believed ever lie, ohh

And I was waiting for more
