

Selena Gomez - Scared Of Loving You (feat. benny blanco)

tom:

If I broke your heart, would you take me back?
 If I broke my arm, would you sign my cast?
 When I was young, I would love too fast
 Hope I don't repeat my past

'Cause I'm not scared of loving you
 I'm just scared of losing you
 I'm not scared of anyone or dying young
 Or if you're gonna find somebody new
 'Cause how could they love you
 As much as I do?

As much as I do

If I lose my shit, promise not to laugh
 If I throw a fit and get photographed
 Would you take my side? Would you hold my hand?
 If they sell a lie, don't let 'em send me back

'Cause I'm not scared of loving you
 I'm just scared of losing you
 I'm not scared of anyone or dying young
 Or if you're gonna find somebody new
 'Cause how could they love you
 As much as I do?
 As much as I do
