but in chord form, so I have transcribed them to tab to make it a little easier.
Intro: Riff:

Verse:

D G D G
G A

Chorus:

E G D Gb Bmin Bmin7

Bridge:

C G D A

Fascinating new thing
You delight me
And I know you're speaking of me
(riff twice)
(second verse, same as the first)
Fascinating new thing
Get beside me
I want you to love me
I'm surprised that you've never been told before
That you're lovely
and you're perfect
And that somebody wants you
(third and fourth verse, same as the second and first)
Fascinating new thing
The scene-makin'
Want a temporary savior
Fascinating new thing
Don't betray them
By becoming familiar
D (all choruses just like the first!)
I'm surprised that you've never been told before
That you're lovely and you're perfect
And that somebody wants you
I'm surprised that you've never be told before
That you're priceless and you're precious
Even when you are not new
then play the riff in E by moving the whole pattern down one string.
