Samba na ponta do pé

Menina, menina

Samba na ponta do pé

Menina, menina

No maxixe no xaxado

No forró no contrapé

Se dançar bem agarrado

Aí todo mundo quer

O partido tem bailado

É um ritual de fé

Tem que ser malandreado

Na roda de samba com samba no pé

Samba na ponta do pé

Menina, menina

Samba na ponta do pé

Menina, menina

Esse passo ultrapassado

Hoje em dia ninguém quer

Dois passos pra cada lado

É coisa de Zé Mané

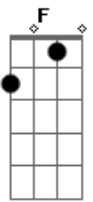

Quebra no sapateado

Põe gingado no balé

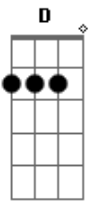

Tem que ser malandreado

Na roda de samba com samba no pé
