Capostrate na 5ª casa

[Primeira Parte]

G  
I once believed that  
Your love had conditions  
Em  
That it could be taken away  
C  
Just as fast it's given  
I thought there were strings

G  
Attached

G  
But You showed me kindness  
In spite of my history

Em  
When others walked out it was

C  
You who was still standing with me

D  
And I can't wrap my head around that

[Refrão]

G  
When I've been the rebel  
Who's run from Your arms

D  
I've turned my back and  
I've broken Your heart

Em  
But You love me still

C  
And You always will

G  
I've known the truth  
And still chosen a lie

D  
Given You less when

I promised my life

Em  
But You love me still

(You love me still)

C  
You love me still

G  
And I know You always will

[Segunda Parte]

G  
I can't believe after all

That I've messed up

Em  
That You'd take my hand and you'd

C  
Tell me You're not gonna give up

G  
'Cause You won't stop fighting for me

G  
Oh, despite all my faults

You're not scared away

Em  
For better or worse

C  
I know that You'll stay

D  
I can't wrap my head around grace

(D )  
Oh-oh

[Refrão]

G  
When I've been the rebel

Who's run from Your arms

No life, no death
