

Sérgio Lopes - Pássaro da Vida

Tom: G

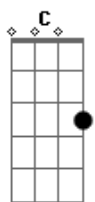

Cada manhã eu recomeço a minha vida
 Abro a janela e um pardal me faz sorrir feliz
 Olha pra mim é tão livre E como seu eu pudesse voar
 Me convida num vôo tranquilo subindo ao céu
 Lá do telhado, todo contente me observa

E num gorjeio me pergunta se eu não vou voar
 Ah! Meu pardal! não tenho asas como você
 Nosso ponto em comum é o Deus que nos faz viver
 Vida, Pássaro vida, Faz teu vôo como faz o pardal
 Que voa sereno e feliz ao encontro do céu
 Voa, Vai mais alto, Onde um pardal jamais vai chegar
 Além da nuvens e das estrelas Voa pra Deus
