

Sérgio Lopes - Tua Dor Vai Passar

Tom: Db
Intro: Db - Gbm - Db - Gbm

O meu Deus me ensina a ouvir tua voz
Me ensina a entender os sinais
Não quero errar
Mas, chorei ninguém quis entender minha dor
Pessoas que falavam de amor
Não sabem amar me escondi e fechei no meu mundo
E esperei, me calei, no silêncio te escutei
Me dizer filho meu eu jamais te deixarei

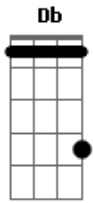

Refrão

Tua dor vai passar com o tempo vai passar
Meu amor te levantará
Eu te separei não desistirei se clamares
Eu te ouvirei teu louvor eu receberei
Tua oferta aceitarei te amo para sempre
Me alegrarei em Ti

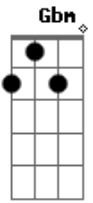

SOLO e depois repete o Refrão
E pra terminar...

Me alegrarei em Ti
Intro: e termina
