      Eb7M Bb Gm F
             Bb
Your eyes just told me to
To think how I start loving you
And now I got some things to do
       Gm
And I don't want to be, to be like you have me
Love myself before she got me
Letting go feeling like guaranteed
Let it roll, you know
Just keep with the flow
Try to love you back
But I can't
     Bb
Your eyes just told me to
To think how I start loving you
And now I got some things to do
 Gm
And I don't want to be, to be like you have me
Fb7
To be or not to be
       Gm
That's the question I got for life

And I know, and I know
      Gm
That I don't wanna leave without
( Eb7M Bb Gm F )
To be or not to be

I wanna know if you got love to give
