

Sergio Sachi - Que Os Pássaros Clamem

tom:

Intro: G D Em D
G D Em G7M

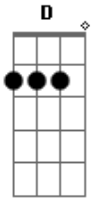

Deixem que os pássaros clamem
No céu de vozes deste canto
Norte a sul do país

Os corvos agonizam e morrem
Sob a nuvem do tempo
Que percorre o céu
Ao sopro da brisa serena

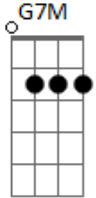

Da vida, que nutre a história
(G D Em D)
(G D Em G7M)

Vida, que transforma
A fa__ce do mundo
Desfaça nos corações
O me__do de amar
Que tanto separa
Que tanto nos faz chorar
