

Sérgio Santos - Encontro Marcado

tom:

Intro: D A Bm A

Ao anoitecer em Carfarnaum
 A casa de Pedro tão simples, comum
 Se enchia de paz, repleta de luz
 Ouvindo as palavras do Mestre Jesus

Vou me imaginar, eu sentado ali
 Entre Pedro, Tiago e Levi
 À beira do lago de Genazaré
 Colhendo na alma as sementes de fé

Eu tão criança ainda naquele lugar
 Sentia Jesus me abraçar

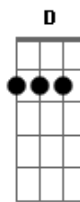

A casa de Pedro à luz do luar
 A brisa da noite, o perfume do mar

Disseste pras mim: ? Você deve voltar
 Eu sempre estarei com você a falar
 A gente se encontra de novo a orar
 No seu evangelho no lar

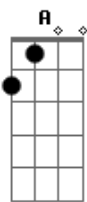

Disseste pras mim: ? Você deve voltar
 Eu sempre estarei com você a falar
 A gente se encontra de novo a orar
 No seu evangelho no lar
