

# Serj Tankian - Deserving?

Tom: G

I don't deserve you.  
 Why can't you see?  
 I will desert you.  
 Why don't you leave?  
 But you put your faith  
 In me one last time.  
 You, you put your faith  
 In love all the time.  
 I believe that you,  
 You and me, you and me.  
 We can achieve

The love that we, we can see.

Go, find your path,  
 Take me with you  
 I will make sure  
 No one hurts you.

I need your ways,  
 We deserve it  
 We'll depend on  
 Our love. Here we //repeat twice

Here we, go  
 You know...
