tom:

Intro: Gbm D Gbm Bm E

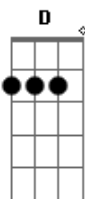

Gbm
One day I met
D
Someone that I don't know
Bm
One day I asked
E
"How did we get us so close?"
Gb
Thought I was alone
D
Then, you said me: "That's you"
Bm
Every time I wrote
E
I heard: "I'm proud of you", yeah
Gbm D
Tell me why are we alike
Bm E
Then, I tell you how much I like you
Gbm D
Never foughted, don't even a spike
Bm E
'Cause we already passed through
Gbm D
"I could find the peace I looked for
Bm E
The peace you bring to me"
Gbm
'Cause you believed
D
And now I'm not the same
Bm E
You changed who I used to be
Gbm
And I'll be here
D
For you, to hear
Bm
Just you and me
E
And for everything you need
Gbm
Can count on me
D
Don't have to fear
Bm
My life got Clear
E
Since I knew you're here for me
Can count on
Gbm
My first mistake was to think
D

Friends are just who we can see
Bm E
But not who want a part
Gbm
So, even far, they could be near
E
And more, per-so-nal-ly
Gbm
Where would I be
D
If I never met you?
Bm
How could I see
E
If who brought the visions were you?
Gbm
Don't matter what I lost
D
Matter what I can win
Bm
No more waste of time
E
That's the value you teached me
Gbm D
Told you why I was upset
Bm E
"No more friendship", "don't try to ask"
Gbm D
They laughed at me, and I got sad
Bm E
So, you lifted me, saying I'm the best
Gbm D
"I could find the peace I looked for
Bm E
The peace you bring to me"
Gbm
'Cause you believed
D
And now I'm not the same
Bm E
You changed who I used to be
Gbm
And I'll be here
D
For you, to hear
Bm
Just you and me
E
And for everything you need
Gbm
Can count on me
D
Don't have to fear
Bm
My life got Clear
E
Since I knew you're here for me
Can count on
