

Set It Off - The Hounting

Tom: **C**
Intro: **Am G F E** x2

verse 1

Am "Come on in, boy," said the skeletons sitting by her closet
F door
E Dirty secrets, empty memories, and broken hearts across the floor
Am I was knocked out, heels over head
G So you dragged me by my feet
F To a ghost town, where you buried me
E No wonder no one heard my screams
Am Love's so alive, but it died in its sleep
F And now that it's dead, I live in your head and
E I will haunt your fucking dreams

Chorus
Am No one will love you like I did, will treat you like I did
E So go on, wear that scarlet letter
Am No one will love you like I did, will touch you like I did
F So good luck finding something better
E

verse 2

Am Run away, boy, if you couldn't tell, baby's got a thirst for
blood
F A subtle system, wicked melodies, craving bullets from her gun
Am **E** **G**

So entranced they, follow every word, little spirals in
their eyes
F **E**
Catch a lover, turn an enemy just to watch them burn alive

Chorus
Am No one will love you like I did, will treat you like I did
E So go on, wear that scarlet letter
Am No one will love you like I did, will touch you like I did
F So good luck finding something better
E

Bridge
Am Someday you may find that picture perfect guy
E And I'll chase my words with poison
G Until that day arrives, and swine take to the sky,
F Fill your void with open thighs so,
E

Chorus
Am No one will love you like I did, will treat you like I did
E So go on, wear that scarlet letter
Am No one will love you like I did, will touch you like I did
F So good luck finding something better
E

Am No one will love you like I did, will treat you like I did
E So go on, wear that scarlet letter
Am No one will love you like I did, will fuck you like I did
F So good luck finding something better
E **Am**
