

# Set It Off - Why Worry

Tom: C

<sup>Am</sup>  
 This sinking feeling sets  
<sup>F</sup>  
 It feels just like a hole inside your chest  
<sup>F</sup>  
 I know you're thinking  
<sup>Am</sup>  
 No, no, no, no, it is easier said than done  
<sup>F</sup>  
 But please let me attest  
<sup>F</sup>  
 I know it's hard  
<sup>Am</sup>  
 You're feeling like you're trapped  
<sup>Am</sup>  
 But that's how you react  
<sup>F</sup>  
 When you cannot see the light  
<sup>F</sup>  
 But try and see the light  
<sup>F</sup>  
 I'm telling you  
<sup>Am</sup>  
 No, no, no, no  
<sup>Am</sup>  
 You're the only one  
<sup>Am</sup>  
 Standing in your way  
<sup>F</sup> <sup>E</sup>  
 Just take a breath, relax, and tell me  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Please tell me why do we worry?  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Why do we worry at all?  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Just tell me why do we worry?  
<sup>F</sup> <sup>E</sup> <sup>Am</sup>  
 When worry is never helping tell me why worry at all?  
<sup>Am</sup>  
 Why do we insist  
<sup>F</sup>  
 On crossing bridges that do not exist?  
<sup>F</sup>  
 Let's take these issues  
<sup>Am</sup>  
 Step by step by step, to work it out  
<sup>Am</sup> <sup>F</sup>  
 Day by day by day we're falling down  
<sup>F</sup>  
 But life goes on  
<sup>F</sup>  
 I've got some questions  
<sup>Am</sup>  
 Are you sick of feeling' sorry?  
 (Uh huh)  
<sup>Am</sup>  
 And people saying not to worry?  
 (Uh huh)  
<sup>F</sup>  
 Sick of hearing this hakuna matata motto  
 From people who won the lotto  
<sup>F</sup>

We're not that lucky  
<sup>Am</sup>  
 Have you noticed that you're breathing?  
 (Uh huh)  
<sup>Am</sup>  
 Look around and count your blessings  
 (Uh huh)  
<sup>F</sup>  
 So when you're sick of all this stressing and guessing I'm  
 suggesting  
<sup>E</sup>  
 you turn this up and let them hear you sing it  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Please tell me why do we worry?  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Why do we worry at all?  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Just tell me why do we worry?  
<sup>F</sup> <sup>E</sup> <sup>Am</sup>  
 When worry is never helping tell me why worry at all?  
<sup>Am</sup> <sup>F</sup>  
 Chin up, quit actin' like you're half dead  
<sup>Am</sup>  
 Tears can only half fill how you're feeling  
<sup>F</sup>  
 Don't worry, be happy baby  
<sup>Am</sup> <sup>F</sup>  
 Stand up, life is too damn short  
 That clock is ticking  
<sup>F</sup>  
 Man up, if you feel me  
 Everybody sing it  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Please tell me why do we worry?  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Why do we worry at all?  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Just tell me why do we worry?  
<sup>F</sup> <sup>E</sup>  
 When worry is never helping tell me why worry at all?  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Please tell me why do we worry?  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Why do we worry at all?  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Just tell me why do we worry?  
<sup>F</sup> <sup>E</sup>  
 When worry is never helping tell me why worry at all?  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Please tell me why do we worry?  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Why do we worry at all?  
<sup>F</sup> <sup>C</sup>  
 Why?  
<sup>G</sup> <sup>Am</sup>  
 Just tell me why do we worry?  
<sup>F</sup> <sup>E</sup>  
 When worry is never helping tell me  
<sup>E</sup>  
 I'm not buying what they're selling  
<sup>F</sup> <sup>E</sup> <sup>Am</sup>  
 So if worry's never helping tell me why why worry at all?
